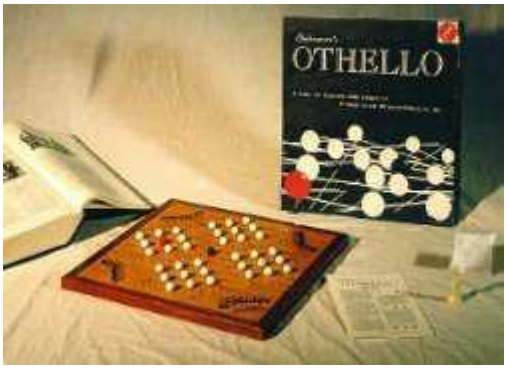
More great games from Melkor-Bradley!

Here at Melkor-Bradley we've brought education and entertainment together with our remarkable series of board games based on the great works of classic literature. Whether you prefer games of fast-paced action or games of carefully-considered strategy, whether you prefer the epic qualities of Tolstoy or the relentless character studies of Shakespeare, Melkor-Bradley has exactly what you're looking for!

Shakespeare's Othello

Chance Plays No Part in This Game of Racial Hatred.



Within the war and political intrigue of 16th century Venice, two adversaries face off against one another: one the noble Moor Othello, the other his treacherous servant Iago. At stake: the sanity of the Moor and the life of his beautiful wife Desdemona. Who will be victorious? In the exciting strategy game of Othello, chance plays no part; the game's outcome is decided only by the cunning of you and your opponent. As Iago, you manipulate your many pawns to plot Othello's destruction. As Othello, you try to stop yourself from being ensnared in Iago's webs of deceit. Who will survive this terrible match? Only you can provide the answer by playing Shakespeare's masterful game of prejudice and duplicity!

Game includes board, strategy guide, Iago, Othello, Desdemona (and pillow), and thirty innocent Pawns. Replacement Desdemonas sold separately.

Moby Dick: Ahab's Challenge

Challenge the Great White Whale and the Nature of Man's Obsessions!

It is the third day of the chase. The Parsee is dead and drowned, yet his prophecy hangs over the *Pequod* like a curse. The final battle between Ahab and the leviathan of the deep is soon to take place. Only one shall survive to tell the tale. Will it be you? Melkor-Bradley is proud to present this game of nautical tactics, survival and philosophy based on Herman Melville's classic novel of the sea!

Strive to be nonjudgmental and to accept all men as brothers before you are yourself brought to judgment in the shark-infested waters of the Pacific! Will you be the sole survivor? Or will Ahab's mad quest for vengeance claim you as yet another victim?

Game includes board, movement die, the *Pequod*, three whale-boats, twenty-two crewmembers, one Ahab and deck of fifteen Ahab cards, one Whale and deck of fifteen Whale cards, five position markers, shark die, and thirty-nine destruction markers. Queequeg's coffin sold separately.

Anna Kareninanopoly

Based on the Epic Novel by Tolstoy!
Melkor-Bradley's Most Well-Known Game!

Be a part of the epic story of Tsarist Russia! In this classic board game, you and up to six other players compete to obtain the most influential lands, professions, philosophies and lovers. Mortgage your principles and build emotional investments! Shape your future happiness or tear down the happiness of others!

Will you be the first to reject the deceit and illusion of material wealth and exchange your emotional investments for true Enlightenment? Or will you fail and throw yourself under the wheels of the Nizhny Line Railroad in despair? Find out all this and more by playing this all-time board-game classic!

Game includes board, dice, seven game markers, deck of 16 Chance cards, deck of 16 Landau the Frenchman cards, sixteen Enlightenment tokens, one Cad marker, twenty-two Deeds of Fate, 15,140 rubles, 32 Emotional Investments and 12 Motels. Apologies to Charles B. Darrow. Any resemblance to other well-known, internationally-famous, copyright-protected board games is obviously just a coincidence.

Clue II: Masque of the Red Death

Finding the Murderer is the Easy Part.
The Challenge is Getting out Alive.

In this long-awaited sequel to Parker Brothers' game of Clue, Masque of the Red Death takes you inside the elegant mansions of Edgar Allan Poe's decadent aristocrat, Prince Prospero. At the height of the Prince's great masquerade, Prospero is struck down in a death of supreme horror. Only an empty costume remains with the corpse. Was the murder done by Colonel Mustard, in the Blue Room, with the candlestick? Or was it the Red Death in a nightmarish retribution for Prospero's prideful, uncaring decadence?

Can you solve the mystery and escape the accursed mansion before the Red Death claims you all?

Game includes board, die, six game markers, deck of 25 clue cards, solution envelope, six weapon tokens, two pads of tally sheets, and vial of the Red Death virus (not shown). "Clue" is a registered trademark of Parker Brothers.

Jane Eyre's Chutes and Ladders

A Game for the Whole Family!

At last, the game that takes you to the great mansions and deserted moors of Charlotte Bronte's literary masterpiece! Jane Eyre's Chutes and Ladders is a wonderful game for all ages, a game that will teach youngsters all about loneliness, depression and the dangers of religious hypocrisy.

Will you be the first to solve the mystery of Thornfield? Can you escape the horrors of Lowood and the claustrophobic memories of the Red Room? Excitement, romance and angst all await you in this exciting game!

Game includes board, spinner, four player markers, the Reed household, Lowood, the Thornfield mansion, the village of Morton, chestnut tree, deck of 20 Red Room cards, and deck of 20 Psychic Revelation cards. Edward Rochester's horse sold separately.

The Lord of the Rings Board Game

Based on J. R. R. Tolkien's Classic Trilogy. Now Updated to Its Second Edition!

Really! It's not a fraud! After being deluged by requests from rabid Tolkien fans, Melkor-Bradley is now re-releasing this classic board game in spite of the many cease-and-desist warnings sent to us by the Tolkien Estate. In this epic game you set out from Rivendell and journey across the enchanted lands of Middle-earth to challenge the might of the evil Sauron. (Sauron himself acted as a technical advisor to insure this game's historical accuracy!) Can you free the kingdoms of Gondor and Rohan from disaster? Can you defeat Sauron and his many allies? Or will you succumb to the evil of the One Ring and fall into death and darkness? Hurry and order this all-time classic before the attorneys and fraud investigators catch up with us again!

Game includes board, die, seven game markers, deck of 72 plot complication cards, two pads of checklists, and Dead marker. History of Middle-Earth series sold seperately. "Numenor" game expansion kit is no longer available.
